

Rushikesh Kengar

FRONT-END DEVELOPER

Work Experiences

CodingEra Software Pvt Ltd

2023 -Present

Front End Developer

In my one year as a React.js front-end developer, I've crafted interactive user interfaces and optimized application performance through efficient state management. Collaborating within cross-functional teams, I've contributed to building scalable and maintainable codebases, ensuring seamless user experiences across devices. With a commitment to continuous learning, I've stayed abreast of React's latest advancements, refining my skills to deliver polished and innovative solutions.
